# TECHNICAL DATA SHEET

## DG-30™

**PRODUCT:** DG-30 is an Eco-Friendly, low foaming degreaser/detergent that uses polymeric technology and natural citrus cleaners. Safe on soft metals like copper, brass and aluminum. Works as a great general-purpose floor cleaner for kitchens and high traffic areas. When combined with ALK-85, this product is highly effective at removing machining oil and fluxes used in the manufacturing of brewing equipment.

### BENEFITS:

- Uses Natural Renewable cleaning solvents.
- Leaves equipment shiny and film free.
- Works well in all water conditions.
- Safe on Copper, Brass and Aluminum.
- Free rinsing that eliminates soap residue.

### USE LEVEL:

1. Dilute 6-8 oz per Gallon.

### SPECIFICATIONS:

CHARACTERISTIC	Liquid	RINSIBILITY	Good
Ph of 1% SOLUTION	11-12	STORAGE STABILITY	Excellent
FOAM LEVEL	Low	FREEZING POINT	30°F
COLOR	Green	WEIGHT PER GALLON	8.9 lbs/Gal
ODOR	Citrus	PACKAGE SIZES	5G, 15G, 30G, 55G, Tote

### CAUTION:

DOT HAZARDOUS WARNING: Not DOT Regulated.

\*Please refer to SDS for further precautions.
