KEG WASH

PRODUCT: Triton Keg Wash is specially formulated to dissolve beer stone and scale build up in kegs. With a low foam cleaning and an aggressive blend of organic acids, kegs are left clean and ready for re-use. Designed for both manual and automated re-circulating systems. No CO2 purge required. Also works as an excellent acid tap line cleaner.

BENEFITS:

- Specifically designed to soften and remove beer stone build up.
- Contains no Nitric Acid. (Safer and non-carcinogenic)
- Works well in all water conditions.
- Low foaming formulation prevents pump cavitation.
- Free rinsing that eliminates mineral residue.
